

SPRINGFIELD GARDEN CLUB
April Newsletter 2018

Hello SGC !!

Hope that everyone had a Happy Easter. It was a beautiful weekend, and now it is snowing at my house !!! Not fair !!

The Mozart presentation in partnership with OSHER was well attended and very interesting with lots of information interspersed with actual footage of Mozart performances.

The next program is scheduled for Wednesday, April 11, co-sponsored with Friends of Springfield Library, entitled "Dry Stone Art in Nature" and is at the Springfield Library. Details are in the yearbook.

Also this month are two meetings to keep in mind. The FGCV meeting is on Wednesday April 18th at Claremont Savings Bank. It begins at 9:30. Jocelyn will be representing us, but it is open to all members. Just an RSVP is appreciated.

Our Spring Board Meeting is on Wednesday, April 25th at 0930. All are welcome !

It is hard to believe that next month is Civic Beautification, but here we are again preparing to make Springfield beautiful. It will be all hands on deck as usual.

Have a wonderful month and channel sunshine and warm temperatures.

Carolyn

PSStill need more pictures for yearbook!!!! ... SOON!
