

SPRINGFIELD GARDEN CLUB NEWSLETTER
SEPTEMBER NEWSLETTER
Therese Burton, President

Greetings

Dear Members.

I apologize for the lateness of this newsletter.. The past month brought me some unexpected disruptive circumstances.

Welcome to September. We certainly saw a change in the weather pattern recently. I am happy to be rid of the hot humid days. This is the time of the year when we begin to get busy and look forward to a pleasant fall, getting our mind in gear for what's to come. I will start with the most important things first. The following events are coming very soon.

FROM SANDY PEPLAU

I heard from Jean Patoine and she is wondering if the Garden Club will support the Santa Claus Club again this year? She needs to know before the first part of October so they can make some plans.

IF ANYONE IS INTERESTED IN DONATING TO THE SANTA CLAUS CLUB
PLEASE LET SANDY KNOW BECAUSE THE DEADLINE IS EARLIER THIS

I HAVE ASKED Sandy to bring the item to the board meeting on September 18
